General Manager

STATEMENT

Bristol Bay Telephone Cooperative, Inc (“BBTC”) has established operating procedures that ensure compliance with the Federal Communication Commission (“Commission”) regulations regarding the protection of consumer proprietary network information (“CPNI”). Use of CPNI is prohibited.

- BBTC has implemented a system whereby the status of a customer’s CPNI approval can be determined prior to the use of CPNI. (Use is prohibited).
- BBTC continually educates and trains its employees regarding the appropriate use of CPNI (use is prohibited). BBTC has established disciplinary procedures should an employee violate the CPNI procedures established by BBTC (Immediate termination).
- BBTC maintains a record of its and its affiliates' sales and marketing campaigns that use its customers' CPNI (No use allowed). BBTC also maintains a record of any and all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI. The record includes a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.
- BBTC has established a supervisory review process regarding compliance with the CPNI rules with respect to outbound marketing situations and maintains records of BBTC’s compliance for a minimum period of one year. Specifically, BBTC’s sales personnel obtain supervisory approval from the General Manager of any proposed outbound marketing request for customer approval regarding its CPNI (use is prohibited).
